

World Forage Analysis Superbowl

With 468 entries from 25 states and provinces, the 2014 World Forage Analysis Superbowl was held during World Dairy Expo. More than \$22,000 in cash prizes were awarded to top producers at an awards luncheon sponsored by Mycogen Seeds. First place entrants in each category received \$1,500, second-place received \$500, third place received \$250, and fourth place received \$100. Samples were tested through Dairyland Laboratories, located in DePere, Wisconsin.
