

Hot Tip

Outriggers

Fence Reinforcement Made Simple

NEW & IMPROVED. Speedrite Hot Tip Outriggers reinforce perimeter fencing by deterring livestock or predators from damaging the existing fence. Live wire connections at each point ensure any contact results in a shock, preventing the Hot Tip Outriggers from being knocked off by livestock. Works with wood posts and comes in two lengths. Made from 6mm galvanized spring steel and UV stabilized for long-lasting durability.

- *The ONLY Live Hot Tip Outrigger on the market*
- Deters livestock from contacting the outriggers
- For wood post use
- 6mm galvanized steel
- UV stabilized for long life
- Holds steel or aluminum wire, braid, poliwire, poliropo up to 8mm or politape up to 20mm
